

An accurate performance across a wide portfolio

The precise and time-critical nature of your work means you need products you can rely on for the most demanding applications. That's why the Supelco[®] portfolio provides a comprehensive range of products and services for chromatography, spectroscopy, titration and many other analytical chemistry techniques.

Everything we develop comes from our deep understanding of the regulations your work must adhere to. And all our products are meticulously tested to comply with the tightest industry standards and specifications. So for exquisite accuracy every time, choose Supelco[®] analytical products.

Explore the comprehensive Supelco[®] analytical product portfolio.

Now Available Through the Fisher Scientific Channel

Reliable and reproducible analytical solutions

When it comes to analytical chemistry, we know only the utmost reliability will do. The comprehensive Supelco® portfolio of analytical products and services covers all workflow phases from sample collection and preparation to calibration and qualification, through to analysis and reporting. And all Supelco® products are meticulously tested against the tightest specifications to ensure they comply with the highest industry standards and regulations.

Supelco® products provide accurate, precise and consistent results in the following areas:

Chromatography

- U/HPLC, LC-MS, IC
- HP/TLC, TLC-MS
- GC, GC-MS

Spectroscopy & Spectrometry

- ICP & AAS
- UV, IR & NMR
- Mass Spectrometry MS

Titration

- Karl Fischer
- Acid-base, Complexometric, Redox, Precipitation

Mobile Lab / Analysis & Test Kits

- Reflectometers, App, Test Strips
- Photometric Instruments
- Test Kits, Software and Services

Other Analytical Techniques

- Sensorics, Classical Analysis, Physical Properties

Sample Collection & Preparation

- SPE, QuEChERS, SPME
- Air Sampling

Calibration & Qualification

- Certified Reference Materials
- Analytical Standards
- Proficiency Testing

Solvents, Inorganics & Reagents

- Classical to Ultra High Purity Products

Safety and Essential Lab Products

Leading-edge products for you*

Chromatography:
GC, U/HPLC, Columns
& TLC Plates, e.g.
Ascentis® Express,
BIOshell™, Chromolith®
columns

Spectroscopy & Spectrometry:
e.g. Suprapur® and Ultrapur
acids & bases, Uvasol®
solvents

Titration: e.g. Aquastar®
Karl Fischer, Titripur® &
Titriplex® Reagents,
connected Reagents.

Mobile Lab and Test
Kits: e.g. Spectroquant®
Prove Photometer
MQuant® test strips
and App

Sample Collection &
Preparation: SPME Fibers,
HybridSPE®, Supel™ QuE
Supelclean™ SPE phases,
Air Samplers

Certified Reference Materials
and Chemical Standards:
e.g. TraceCERT®,
Cerilliant®,
Certipur® and
Proficiency Testing

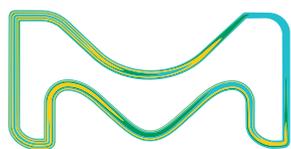

Solvents & Inorganics:
e.g. EMSURE® Solvents,
Acids and Salts,
LiChrosolv®
UHPLC-MS solvents,
Ultrapur acids

Safety & Lab Essentials:
e.g. Extran® detergents
and Chemizorb®
absorbents

**this selection is complemented by other Supelco® products and third party products*
