

ONE SOURCE. INFINITE SOLUTIONS.®

## GLOBAL EXPORT SERVICES

Fisher Scientific is a respected resource in laboratories worldwide. Our broad portfolio of leading brands is complemented by Fisherbrand products designed to meet your quality and budget requirements. Product choice combined with the convenience of ordering from a single supplier enable our customers to solve analytical challenges from routine testing to complex research and discovery.

Fisher Scientific is uniquely positioned to deliver the same high level of support that you know and expect worldwide. Multinationals, universities, government and NGOs (world health organizations) view us as a strategic partner to support product development, meet the rigorous demands of quality control, support sustainable healthcare solutions as well as maintain product and worker safety.

### Global Reach
