Wall Mounted Garment Rack

Wall Mounted & Upright Garment Racks

Designed to provide efficient storage of Cleanroom garments. Electropolished, Type 304 Stainless Steel hangers, spaced at 3" intervals, are included. Unique hanger capture mechanism and design provide theft deterrence. Approximately, upright units are 74" high and wall mount units are 7½" tall. Both options feature an open air design that promotes air flow. Stainless Steel leveling feet allow floor mount or free standing option.

Note: Units can be made conductive with use of conductive sleeves.
