

For more than 50 years, thousands of quality-driven organizations have trusted Spectrum Chemical for our extensive QC testing, packaging and scientific documentation expertise. And now, as a Fisher Scientific Tier 1 supplier, we'll earn your trust, too, by helping you grow your territory.

- Tier 1 supplier and source for compendial material from lab to production scale
- Certified women's business enterprise (WBE) to meet diversity spend requirements
- Supply chain security to minimize risk and prevent disruption
- 3 worldwide locations with QC testing, packaging and distribution operations
- cGMP, FDA registered and ISO 9001:2015 certified

## Spectrum Chemical Sales Contacts

Access our convenient territory map and connect with your local Spectrum Chemical sales representative to collaborate and win business.

## Biopharma Portfolio

Offer an extensive portfolio of upstream and downstream bioprocessing products.

## Excipients

Provide more than 250 excipients for enhanced solubility, extended shelf life, and improved absorption.

## bioCERTIFIED™ Chemicals

Help biopharma customers meet compliance requirements with additional testing for bioburden, endotoxin and elemental impurities.

## Scientific Documentation

Ensure compliance and quality assurance for your customers by providing them with hundreds of professionally prepared dossiers.

## USP-NF Grade Chemicals
