

SafeMask® Premier Elite™

Earloop Procedure Face Mask

**SERIOUS
PROTECTION**
can be comfortable too

ASTM Level 3 mask made in North America

Ideal for examining or treating high-risk patients and for procedures involving high levels of spray, splatter, moisture and airborne particles.

Now available in **teal** and **lavender**!

Find it at fishersci.com and fishersci.ca

Premier Elite™ procedure masks combine the high-barrier protection you need with the comfort and breathability you want.

FEATURES	BENEFITS
Smooth, stretchy, latex-free, ultrasonically sealed earloops	Prevent irritation and allow easy removal with a lower risk of self-contamination
Adjustable aluminum nosepiece	Provides a comfortable, personalized fit
Shingle pleat design	Prevents fluid pooling and cross-contamination
Non-woven fabric layers	Will not lint, tear or shred
