

# SafeMask<sup>®</sup> SofSkin

Procedure Earloop  
Face Masks

The highest level  
of protection in our  
softest mask

ASTM  
LEVEL 3

## Now available in Level 3. The Ultimate Protection for Sensitive Skin

Designed especially for sensitive skin, SafeMask SofSkin Level 3 masks provide the highest level of protection without irritating sensitive faces. Their ultra-soft, lightweight, breathable inner layer is gentle and remains cool on skin. Unique wicking technology keeps the face dry and comfortable all procedure long.

Available in 4 colours: 

Find it at [fishersci.com](https://fishersci.com) and [fishersci.ca](https://fishersci.ca)

# For the ultimate combination of protection and comfort all procedure long

## FEATURES

## BENEFITS

Cellulose-blend inner layer

White, non-irritating, ultra-soft and dye-free to leave skin feeling clean and dry. Offer excellent breathability and will not lint, tear or shred

Meet ASTM F2100 standard for Level 3

Provides the highest level of protection

Adjustable nose piece

Provides a customized fit and minimizes fogging

Soft, stretchy, latex-free and ultrasonically sealed earloops

Provide a snug fit without pulling or causing irritation; easy to remove with a lower risk of self-contamination
