Quick Tip:

fishersci.com has powerful **SEARCH** capabilities. **Search** by:

- Description
- Supplier part number
- Fisher Scientific number
- Competitor part number
- CAS # or MDL #

BI Value Products:

Utilize the Search refinement feature and look for the BI Value Product icon to maximize your lab budget!

DIDN'T FIND WHAT YOU'RE LOOKING FOR? Use the New Item Request Form

Item Request Form

Please help us reduce the amount of "free-lead" orders!
 Catalog numbers can be created for almost any item from almost any supplier, enabling you to purchase directly from the Fisher Scientific catalog which will reduce issues typically associated with non-electronic orders.
 Simply contact Michele Schoenfeld (michele.schoenfeld@thermofisher.com - 202.751.4200) or Jeff Pelletier (jeff.pelletier@thermofisher.com - 202.750.9995 x32279) to have a catalog number added to the Fisher Scientific catalog.
 If you prefer, you can also fill out the form below and click submit.

Please enter any specifics about items (i.e. color, size, configuration)

New Item Requests:

- Will be sourced in four business hours
- Newly created items orderable via Quick Order
- Searchable the following business day

Third Party products are defined as products from suppliers who are not part of the typical distribution network in the scientific supplies commodity – suppliers who normally sell direct.

We offer over 800,000 Third Party products, representing over 7,000 suppliers, as a one-stop shop for the researcher. These products are indicated on fishersci.com by the Encompass icon.
