MCW Pricing

There is a hot list of 1400 SKUs with aggressive discounts that were competitively bid and that include a combination of item level and category discounts. All of MCW's pricing is loaded on the website which is accessed through punchout and is accessible to registered users.

You may obtain registration instructions and website training by contacting John Fabrycki John.Fabrycki@thermofisher.com or 414-803-3886 (cell). You must be a registered user to access MCW pricing!

If you are ordering a large number of the same product or have a large-dollar order (in excess of \$5,000), it may be in your best interests to contact john.fabrycki@thermofisher.com to determine if additional volume discounts are available.

MCW is now part of Bioforward, and under that contract MCW will receive back \$1.50/line that is ordered via punchout, an annual year over year growth incentive of 3% and an annual growth incentive of 0.5% on legacy Life Technologies items that are ordered through Fisher Scientific.

How to Order

Fisher Scientific is now on Punch-out –

To begin online ordering, punchout to fishersci.com from MCW web page. Once in the punchout session, you may access features from either the My Account dropdown menu located in the upper right-hand corner of the screen or the links on the left-side banner.

Delivery Terms

- **FOB Destination (PPA – prepaid and absorbed) on all Standard items from \$0**
- **FOB Shipping Point (PPC – prepaid and charged) and Direct-ship fee's on all Non-Standard items from \$0, including Legacy Life Technologies**

- **Special handling, air express, rush, direct-ship, special container and integrity packaging fee/charges may apply (when applicable).**
- **Non-Catalog Products and orders for lab furniture are subject to transportation charges unless Fisher agrees to absorb such charges on a case-by-case basis.**

Other Important Information

New Lab Start-Up (NLSU): program is available. Additional discounts and promos available on qualified products for registered new labs. Contact Fisher representative John Fabrycki for local details and assistance. Or, go to www.fishersci.com to and view the “Special offers” link on the left margin of our homepage and go to “New Lab Start Up”. Use the existing main campus MCW account number (521950-001) as your account number. (-002 for VA), (-003 for Eye Inst/FMLH).

Stocking Programs: Fisher Scientific administers one stocking program located on the 4th floor of the CVRC/MEB – with our vendor partner Promega Corp. The Promega program requires a pass keycard for cabinet access. Contact John Fabrycki at John.Fabrycki@thermofisher.com for instructions. A PO# to Fisher Scientific will be required when you register online with

Promega for program access. Inventory in this program is RFID chip-controlled. Invoicing for products removed occurs 15 minutes after product is removed. You have a 15 minute window to change your mind and return the product before you are billed. Upon invoicing product is automatically reordered to replenish the stock removed.

Fisher Scientific return policy after 90 days: Products returned after 90 days are subject to a 15% restocking fee. Returns may be subject to additional fee's equal to the restocking fee charged to Fisher Scientific by the product manufacturer.

Fisher's return policy DOES NOT APPLY to the following:

- Discontinued products
- Personalized or custom products
- Refrigerated or temperature controlled products
- Outdated, shelf-worn, used, defaced or expired products
- Reagents, diagnostics or chemicals which have been opened
- Any product not purchased from Fisher Scientific
- Any product that has been shipped out of the country (for whatever reason)
- Any product designated as a "Medical Device"
