The Fisher Scientific channel has been selected and is excited to provide laboratory supplies, chemicals, equipment, and specialty life sciences products to MIT.

AGREEMENT BENEFITS

- An extensive hotlist of deeply discounted products representing the high-volume items across the consortium
- Product discounts by category and manufacturer across the broad portfolio of lab supplies providing significant savings
- Incremental discounts and additional savings through product promotions and new lab start-up offers
- Access to our Greener Choice Program that includes many products to help meet your sustainability goals
- Next day delivery for orders placed before 2 p.m. for all in stock items from our Massachusetts warehouse
- Free transportation, including no hazardous materials or ice charges, on all orders.
- 30-day “hassle-free” return policy
- Knowledgeable Sales Representatives to assist with product selection and provide ongoing support
- Dedicated Customer Service and order management support

Get easy access to a broad portfolio of products on fishersci.com through the MIT Marketplace.
