The Fisher Scientific channel has been selected and is excited to provide laboratory supplies, chemicals, equipment, and specialty life sciences products to Northeastern University.

AGREEMENT BENEFITS

- An extensive hotlist of deeply discounted items representing the high-volume items across the consortium along with improved discounts across the broad Fisher Scientific portfolio
- Free transportation, including no hazardous materials or ice charges, on all orders. White glove delivery on catalog equipment provided at no charge as well
- Next day delivery for orders placed before 2 p.m. for all in stock items from our Massachusetts warehouse
- A dedicated Fisher Scientific Sales Representative to assist with product selection, promotions, issue quotes and provide ongoing support
- Comprehensive sourcing of 3rd party products with no freight charges. New Item Request Form enabled on punch out site landing pages
- Harmonized pricing on many Invitrogen, Gibco and other legacy Life Technologies products across Thermo Fisher ordering channels
- Enhanced pricing across many key categories including Chemicals and Life Science products
- Incremental discounts and additional savings through product promotions and new lab start-up offers
- Dedicated Customer Service and Order Management support

Get easy access to a broad portfolio of products on fishersci.com through the Northeastern Marketplace..
