HOW TO ORDER SERVICE GUIDE

GILSON PERFORMED SERVICE IN FISHER SCIENTIFIC STOCKROOM

- Sign-up for pipette services on NU Purchasing portal or in the Fisher Scientific storeroom.
- Complete the sign-up sheet as provided.
- Deliver the pipettes to the Fisher Scientific storeroom on your specified day.
- You will be notified by the phone number and email provided when the service is complete, and the pipettes are ready to be picked up from the Fisher Scientific storeroom.
- Each end-user will receive a service report and instructions on completing the service billing through iBuyNU.
- All standard orders will be “checked out” in the storeroom by the on-site staff and the order will be assigned to the cart prior to leaving the stockroom.
- If additional parts are required, the end-user will receive a quote in iBuyNU accessed by using “My Quotes” to complete the service billing.
- Each end-user will process the order using the part numbers instructed or the quote number provided by Fisher Scientific on-site staff.

iBuyNU PART#	PRICE (per pipette)	DESCRIPTION
SVC101101G	\$20.00	Single Channel Pipette Service and Preventative Maintenance with Balance Check
SVC101102G	\$28.00	Multichannel Pipette Service and Preventative Maintenance with Balance Check
