First
For UC

University of
California, Irvine

The Fisher Scientific channel has been selected and is excited to continue serving as the primary supplier of laboratory supplies, chemicals, equipment, and specialty life sciences products for UCI.

AGREEMENT BENEFITS

- Exclusive discounted pricing on items available through the Fisher Scientific channel and savings on many other products
- Product promotions and New Lab Start-Up special offers available through your punch-out site
- Dedicated Fisher Scientific sales representatives to help you select products and equipment, demonstrate products, and provide information on our latest offerings
- Life sciences, chemical, and safety specialists available for consultations
- State-of-the-art warehouses in Chino and Tracy servicing the entire University of California system
- Regular product shows and technical seminars
- No cost for standard delivery of most orders
- Guaranteed 48-hour delivery for most items

Get easy access to a broad portfolio of products on fishersci.com through UCIBuy.
