

GEORGETOWN UNIVERSITY & FISHER SCIENTIFIC

CONTRACT HIGHLIGHTS

FISHER SCIENTIFIC IS EXCITED TO PARTNER WITH GEORGETOWN UNIVERSITY AS A CONTRACT SUPPLIER FOR ALL OF ITS LABORATORY NEEDS.

The new agreement was awarded due to Fisher Scientific's demonstrated ability to meet Georgetown University's goals of receiving quality products at competitive pricing, with superior service, and to drive yearly cost savings initiatives.

The Fisher Scientific portfolio of more than 1 million products from more than 7,000 suppliers offers unparalleled choice and convenience and has been configured with contract pricing to deliver significant savings to each participating university. In addition, the partnership offers cohesive support across all the Thermo Fisher Scientific businesses including Invitrogen™, Applied Biosystems™ and Unity™ Lab Services.

GEORGETOWN UNIVERSITY BENEFITS FROM FISHER SCIENTIFIC INCLUDE:

- Product discounts by category and manufacturer across the broad portfolio of lab supplies spend providing significant savings
- Next day delivery for orders placed before 2 p.m. for all in stock items from our local warehouse
- 30-day "hassle-free" return policy
- Corporate Accounts team support for all Thermo Fisher Scientific manufactured products including sales growth incentives
- Life Science, Chemical and Safety Specialists available for consultation
- Dedicated toll-free call-in number for a team of customer service representatives
- New **fishersci.com** website offering improved user experience along with enhanced content and functionality
- Product promotions and new laboratory start-up special offers
- Regularly scheduled product shows and technical seminars to keep researchers aware of new products, promotions and technologies
