

# SAFETY DATA SHEET

Creation Date 15-Sep-2014

Revision Date 18-Dec-2025

Revision Number 5

This safety data sheet was created pursuant to the requirements of: US OSHA Hazard Communication Standard 2024 (29 CFR 1910.1200)

## 1. Identification

**Product Name** Triphenylmethyl bromide

**Cat No. :** AC140390000; AC140390100; AC140390250; AC140390500;  
AC140391000; AC140392500

**CAS No** 596-43-0  
**Synonyms** Bromotriphenylmethane; Trityl bromide

**Recommended Use** Laboratory chemicals.  
**Uses advised against** Food, drug, pesticide or biocidal product use.

### Details of the supplier of the safety data sheet

#### Company

Fisher Scientific Company  
One Reagent Lane  
Fair Lawn, NJ 07410  
Tel: (201) 796-7100

Acros Organics  
One Reagent Lane  
Fair Lawn, NJ 07410

#### **Emergency Telephone Number**

For information **US** call: 001-800-227-6701 / **Europe** call: +32 14 57 52 11

Emergency Number **US**:001-201-796-7100 / **Europe**: +32 14 57 52 99

**CHEMTREC** Tel. No. **US**:001-800-424-9300 / **Europe**:001-703-527-3887

## 2. Hazard(s) identification

### Classification

This chemical is considered hazardous according to [US] OSHA (29 CFR 1910.1200, 2024)

Skin Corrosion/Irritation  
Serious Eye Damage/Eye Irritation

Category 1 B  
Category 1

### Label Elements

**Signal Word**  
Danger

**Hazard Statements**  
Causes severe skin burns and eye damage

**Precautionary Statements****Prevention**

Do not breathe dust/fume/gas/mist/vapors/spray  
 Wash face, hands and any exposed skin thoroughly after handling  
 Wear protective gloves/protective clothing/eye protection/face protection

**Response**

Immediately call a POISON CENTER or doctor

**Inhalation**

IF INHALED: Remove person to fresh air and keep comfortable for breathing

**Skin**

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower  
 Take off contaminated clothing and wash before reuse

**Eyes**

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing

**Ingestion**

IF SWALLOWED: Rinse mouth. DO NOT induce vomiting

**Storage**

Store locked up

**Disposal**

Dispose of contents/container to an approved waste disposal plant

**Hazards not otherwise classified (HNO C)**

None identified

**Hazards classified under paragraph (d)(1)(ii) of 1910.1200**

No information available

### 3. Composition/information on Ingredients

| Component                                | CAS No   | Weight % |
|------------------------------------------|----------|----------|
| Benzene, 1,1',1''-(bromomethyldiyl)tris- | 596-43-0 | <=100    |

### 4. First-aid measures

|                                            |                                                                                                                                                                                                                                                                                                 |
|--------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Eye Contact</b>                         | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes.                                                                                                                                                                                                        |
| <b>Skin Contact</b>                        | Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes.                                                                                                                                                                                           |
| <b>Inhalation</b>                          | Remove from exposure, lie down. Remove to fresh air.                                                                                                                                                                                                                                            |
| <b>Ingestion</b>                           | Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Drink plenty of water. If possible drink milk afterwards.                                                                                                                                                        |
| <b>Most important symptoms and effects</b> | Causes burns by all exposure routes. Product is a corrosive material. Use of gastric lavage or emesis is contraindicated. Possible perforation of stomach or esophagus should be investigated: Ingestion causes severe swelling, severe damage to the delicate tissue and danger of perforation |
| <b>Notes to Physician</b>                  | Treat symptomatically                                                                                                                                                                                                                                                                           |

## 5. Fire-fighting measures

**Unsuitable Extinguishing Media** No information available

**Flash Point** No information available  
**Method -** No information available

**Autoignition Temperature** Not applicable

**Explosion Limits**

**Upper** No data available

**Lower** No data available

**Sensitivity to Mechanical Impact** No information available

**Sensitivity to Static Discharge** No information available

**Specific Hazards Arising from the Chemical**

Keep product and empty container away from heat and sources of ignition.

**Hazardous Combustion Products**

Carbon monoxide (CO). Carbon dioxide (CO<sub>2</sub>). Hydrogen halides.

**Protective Equipment and Precautions for Firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

**NFPA**

**Health**  
3

**Flammability**  
1

**Instability**  
0

**Physical hazards**  
N/A

## 6. Accidental release measures

**Personal Precautions** Ensure adequate ventilation. Use personal protective equipment as required.

**Environmental Precautions** See Section 12 for additional Ecological Information.

**Methods for Containment and Clean Up** Sweep up and shovel into suitable containers for disposal.

## 7. Handling and Storage

**Handling** Ensure adequate ventilation. Wear personal protective equipment/face protection.

**Storage.** Keep refrigerated. Keep containers tightly closed in a dry, cool and well-ventilated place. Corrosives area. Incompatible Materials. Strong oxidizing agents.

## 8. Exposure controls / personal protection

**Exposure Guidelines** This product does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

**Engineering Measures** Ensure adequate ventilation, especially in confined areas. Ensure that eyewash stations and safety showers are close to the workstation location.

**Personal Protective Equipment**

**Eye/face Protection** Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard EN166.

**Skin and body protection** Wear appropriate protective gloves and clothing to prevent skin exposure.

|                                 |                                                                                                                                                          |
|---------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Respiratory Protection</b>   | Wear a NIOSH/MSHA or European Standard EN 149 approved full-facepiece airline respirator in the positive pressure mode with emergency escape provisions. |
| <b>Recommended Filter type:</b> | Particulates filter conforming to EN 143.                                                                                                                |
| <b>Hygiene Measures</b>         | Handle in accordance with good industrial hygiene and safety practice.                                                                                   |

## 9. Physical and chemical properties

|                                                |                               |                 |                          |
|------------------------------------------------|-------------------------------|-----------------|--------------------------|
| <b>Appearance</b>                              |                               |                 |                          |
| <b>Physical State</b>                          | Powder Solid                  |                 |                          |
| <b>Color</b>                                   | Light yellow                  |                 |                          |
| <b>Odor</b>                                    | Odorless                      |                 |                          |
| <b>Odor Threshold</b>                          | No information available      |                 |                          |
| <b>Property</b>                                | <b>Values</b>                 | <b>Remarks</b>  | <b>• Method</b>          |
| <b>Melting Point/Range</b>                     | 151 - 155 °C / 303.8 - 311 °F |                 |                          |
| <b>Softening Point</b>                         | No data available             |                 |                          |
| <b>Boiling Point/Range</b>                     | 230 °C / 446 °F               | @ 15 mmHg       |                          |
| <b>Flash Point</b>                             | No information available      | <b>Method -</b> | No information available |
| <b>Flammability (liquid)</b>                   | Not applicable                | Solid           |                          |
| <b>Flammability (solid,gas)</b>                | No information available      |                 |                          |
| <b>Explosion Limits</b>                        | No data available             |                 |                          |
| <b>Autoignition Temperature</b>                | Not applicable                |                 |                          |
| <b>Decomposition Temperature</b>               | No data available             |                 |                          |
| <b>pH</b>                                      | No information available      |                 |                          |
| <b>Viscosity</b>                               | Not applicable                | Solid           |                          |
| <b>Water Solubility</b>                        | Insoluble                     |                 |                          |
| <b>Solubility in other solvents</b>            | No information available      |                 |                          |
| <b>Partition Coefficient (n-octanol/water)</b> |                               |                 |                          |
| <b>Vapor Pressure</b>                          | No data available             |                 |                          |
| <b>Density / Specific Gravity</b>              | No data available             |                 |                          |
| <b>Bulk Density</b>                            | No data available             |                 |                          |
| <b>Vapor Density</b>                           | Not applicable                | Solid           |                          |
| <b>Particle characteristics</b>                | No data available             |                 |                          |
| <b>Other Information</b>                       |                               |                 |                          |
| <b>Molecular Formula</b>                       | C19 H15 Br                    |                 |                          |
| <b>Molecular Weight</b>                        | 323.22                        |                 |                          |
| <b>Evaporation Rate</b>                        | Not applicable - Solid        |                 |                          |

## 10. Stability and reactivity

|                                         |                                                                           |
|-----------------------------------------|---------------------------------------------------------------------------|
| <b>Reactive Hazard</b>                  | None known, based on information available                                |
| <b>Stability</b>                        | Stable under normal conditions.                                           |
| <b>Conditions to Avoid</b>              | Incompatible products.                                                    |
| <b>Incompatible Materials</b>           | Strong oxidizing agents                                                   |
| <b>Hazardous Decomposition Products</b> | Carbon monoxide (CO), Carbon dioxide (CO <sub>2</sub> ), Hydrogen halides |
| <b>Hazardous Polymerization</b>         | No information available.                                                 |
| <b>Hazardous Reactions</b>              | None under normal processing.                                             |

## 11. Toxicological information

### Information on expected route of exposure

|                   |                                                                                                 |
|-------------------|-------------------------------------------------------------------------------------------------|
| <b>Inhalation</b> | Avoid breathing dust or spray mist. May be harmful if inhaled.                                  |
| <b>Ingestion</b>  | May be harmful if swallowed.                                                                    |
| <b>Eyes</b>       | Avoid contact with eyes. Corrosive to the eyes and may cause severe damage including blindness. |
| <b>Skin</b>       | Avoid contact with skin. Causes burns. Skin Corrosion/Irritation.                               |

### Toxicology data for the components

**Toxicologically Synergistic Products** No information available

**(b) skin corrosion/irritation;** Category 1 B

**(c) serious eye damage/irritation;** Category 1

**(d) respiratory or skin sensitization;**

|                    |                   |
|--------------------|-------------------|
| <b>Respiratory</b> | No data available |
| <b>Skin</b>        | No data available |

**(e) germ cell mutagenicity;** No data available

**(f) carcinogenicity;**

The table below indicates whether each agency has listed any ingredient as a carcinogen

| Component                                         | CAS No   | IARC       | NTP        | ACGIH      | OSHA       | Mexico     |
|---------------------------------------------------|----------|------------|------------|------------|------------|------------|
| Benzene,<br>1,1',1''-(bromomethylid-<br>yne)tris- | 596-43-0 | Not listed | Not listed | Not listed | Not listed | Not listed |

**(g) reproductive toxicity;** No data available

**(h) STOT-single exposure;** No data available

**(i) STOT-repeated exposure;** No data available

**Target Organs** No information available.

**(j) aspiration hazard;** Not applicable  
Solid

**Symptoms / effects, both acute and delayed** Product is a corrosive material. Use of gastric lavage or emesis is contraindicated. Possible perforation of stomach or esophagus should be investigated. Ingestion causes severe swelling, severe damage to the delicate tissue and danger of perforation.

**Other Adverse Effects** The toxicological properties have not been fully investigated.

**Endocrine Disrupting Properties** This product does not contain any known or suspected endocrine disruptors.

## 12. Ecological information

### Ecotoxicity

Do not empty into drains.

**Persistence and Degradability** Insoluble in water May persist based on information available.

**Bioaccumulation/ Accumulation** No information available.

**Mobility** Is not likely mobile in the environment due its low water solubility.

## 13. Disposal considerations

**Waste Disposal Methods** Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. Chemical waste generators must also consult local, regional, and national hazardous waste regulations to ensure complete and accurate classification.

## 14. Transport information

### DOT

UN-No UN1759  
 Proper Shipping Name CORROSIVE SOLIDS, N.O.S.  
 Technical Shipping Name (TRIPHENYLMETHYL BROMIDE)  
 Hazard Class 8  
 Packing Group II

### TDG

UN-No UN1759  
 Proper Shipping Name CORROSIVE SOLIDS, N.O.S.  
 Technical Shipping Name (TRIPHENYLMETHYL BROMIDE)  
 Hazard Class 8  
 Packing Group II

### IATA

UN-No UN1759  
 Proper Shipping Name Corrosive solid, n.o.s.  
 Technical Shipping Name (TRIPHENYLMETHYL BROMIDE)  
 Hazard Class 8  
 Packing Group II

### IMDG/IMO

UN-No UN1759  
 Proper Shipping Name Corrosive solid, n.o.s.  
 Technical Shipping Name (TRIPHENYLMETHYL BROMIDE)  
 Hazard Class 8  
 Packing Group II

## 15. Regulatory Information

### United States of America Inventory

| Component                                    | CAS No   | TSCA | TSCA Inventory notification -<br>Active-Inactive | TSCA - EPA Regulatory<br>Flags |
|----------------------------------------------|----------|------|--------------------------------------------------|--------------------------------|
| Benzene,<br>1,1',1''-(bromomethylidene)tris- | 596-43-0 | X    | INACTIVE                                         | -                              |

### Legend:

**TSCA** US EPA (TSCA) - Toxic Substances Control Act, (40 CFR Part 710)

X - Listed

'-' - Not Listed

**TSCA - Per 40 CFR 751, Regulation of Certain Chemical Substances & Mixtures, Under TSCA Section 6(h) (PBT)**

Not applicable

**TSCA 12(b)** - Notices of Export

Not applicable

**International Inventories**

Canada (DSL/NDL), Europe (EINECS/ELINCS/NLP), Philippines (PICCS), Japan (ENCS), Japan (ISHL), Australia (AICS), China (IECSC), Korea (KECL).

| Component                                    | CAS No   | DSL | NDL | EINECS    | PICCS | ENCS | ISHL | AICS | IECSC | KECL |

KECL - NIER number or KE number (<http://ncis.nier.go.kr/en/main.do>)

**U.S. Federal Regulations****SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

**SARA 311/312 Hazard Categories**

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

**CWA (Clean Water Act)** Not applicable

**Clean Air Act** Not applicable

**OSHA - Occupational Safety and Health Administration** Not applicable

**CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

**California Proposition 65** This product does not contain any Proposition 65 chemicals.

**U.S. State Right-to-Know Regulations** Not applicable

**U.S. Department of Transportation**

Reportable Quantity (RQ): N  
DOT Marine Pollutant N  
DOT Severe Marine Pollutant N

**U.S. Department of Homeland Security** This product does not contain any DHS chemicals.

**Other International Regulations**

**Mexico - Grade** No information available

**Authorisation/Restrictions according to EU REACH** Not applicable

| Component | CAS No | REACH (1907/2006) - Annex XIV - Substances Subject to Authorization | REACH (1907/2006) - Annex XVII - Restrictions on Certain Dangerous | REACH Regulation (EC 1907/2006) article 59 - Candidate List of |
