

# SAFETY DATA SHEET

Creation Date 12-Jan-2015

Revision Date 24-Dec-2021

Revision Number 5

1. Identification

| me |
|----|
|    |

# N,N-Dimethylformamide-d7

CAS No Synonyms 4472-41-7 No information available

Recommended Use Uses advised against

Laboratory chemicals. Food, drug, pesticide or biocidal product use.

# Details of the supplier of the safety data sheet

Company Fisher Scientific Company One Reagent Lane Fair Lawn, NJ 07410 Tel: (201) 796-7100

Acros Organics One Reagent Lane Fair Lawn, NJ 07410

# 2. Hazard(s) identification

# Classification

This chemical is considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

| Flammable liquids                  | Category 3  |
|------------------------------------|-------------|
| Acute dermal toxicity              | Category 4  |
| Acute Inhalation Toxicity - Vapors | Category 4  |
| Serious Eye Damage/Eye Irritation  | Category 2  |
| Reproductive Toxicity              | Category 1A |
|                                    |             |

### Label Elements

Signal Word Danger

# **Hazard Statements**

Flammable liquid and vapor Causes serious eye irritation May damage the unborn child Harmful in contact with skin or if inhaled

# Precautionary Statements

### Prevention

Obtain special instructions before use

Do not handle until all safety precautions have been read and understood

Use personal protective equipment as required

Avoid breathing dust/fume/gas/mist/vapors/spray

Use only outdoors or in a well-ventilated area

Wash face, hands and any exposed skin thoroughly after handling

Wear eye/face protection

Keep away from heat/sparks/open flames/hot surfaces. - No smoking

Keep container tightly closed

Ground/bond container and receiving equipment

Use explosion-proof electrical/ventilating/lighting equipment

Use only non-sparking tools

Take precautionary measures against static discharge

### Response

IF exposed or concerned: Get medical attention/advice

### Inhalation

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing

### Skin

Call a POISON CENTER or doctor/physician if you feel unwell

Wash contaminated clothing before reuse

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower

### Eyes

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing If eye irritation persists: Get medical advice/attention

### Fire

In case of fire: Use CO2, dry chemical, or foam for extinction

# Storage

Store locked up

Store in a well-ventilated place. Keep cool

### Disposal

Dispose of contents/container to an approved waste disposal plant

Hazards not otherwise classified (HNOC)

None identified

# 3. Composition/Information on Ingredients

| Component   |  | CAS No                              | Weight % |
|---|--|-------------------------------------|----------|
| N,N-Di[2H3]methyl   | 2H]formamide   | 4472-41-7                           | 100      |
|   | 4. F   | irst-aid measures                   |          |
| <b>General Advice</b> Show this safety data sheet to the doctor in attendance. Immediate medical attention is required. |  | nce. Immediate medical attention is |          |
| Eye Contact   | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. In the case of contact with eyes, rinse immediately with plenty of water and seek medical |                                     |          |

|  | advice.  |
|--|--|
| Skin Contact   | Wash off immediately with plenty of water for at least 15 minutes. Immediate medical attention is required.  |
| Inhalation   | Remove to fresh air. If not breathing, give artificial respiration. Do not use mouth-to-mouth method if victim ingested or inhaled the substance; give artificial respiration with the aid of a pocket mask equipped with a one-way valve or other proper respiratory medical device. Immediate medical attention is required. |
| Ingestion  | Do NOT induce vomiting. Call a physician or poison control center immediately.   |
| Most important symptoms and<br>effects<br>Notes to Physician | Difficulty in breathing. Symptoms of overexposure may be headache, dizziness, tiredness, nausea and vomiting<br>Treat symptomatically  |
|  |  |

5. Fire-fighting measures

| Suitable Extinguishing Media                 | Water spray, carbon dioxide (CO2), dry chemical, alcohol-resistant foam. Water mist may be used to cool closed containers. |
|--|--|
| Unsuitable Extinguishing Media               | No information available   |
| Flash Point                                  | 58 °C / 136.4 °F   |
| Method -                                     | No information available   |
| Autoignition Temperature<br>Explosion Limits | No information available   |
| Upper  | No data available  |
| Lower  | No data available  |
| Sensitivity to Mechanical Impac              | t No information available   |
| Sensitivity to Static Discharge              | No information available   |

### **Specific Hazards Arising from the Chemical**

Flammable. Risk of ignition. Vapors may form explosive mixtures with air. Vapors may travel to source of ignition and flash back. Containers may explode when heated. Thermal decomposition can lead to release of irritating gases and vapors. Keep product and empty container away from heat and sources of ignition. Vapors may form explosive mixtures with air.

### Hazardous Combustion Products

......

Nitrogen oxides (NOx). Carbon monoxide (CO). Carbon dioxide (CO<sub>2</sub>).

# **Protective Equipment and Precautions for Firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear. Thermal decomposition can lead to release of irritating gases and vapors.

| <u>NFPA</u><br>Health<br>2        | Flammability<br>2  | Instability<br>1  | Physical hazards<br>N/A |

|   |   |
|   | xposure controls / personal protection  |
| Exposure Guidelines                                   | This product does not contain any hazardous materials with occupational exposure<br>limitsestablished by the region specific regulatory bodies.   |
| Engineering Measures<br>Personal Protective Equipment | Use only under a chemical fume hood. Use explosion-proof electrical/ventilating/lighting equipment. Ensure that eyewash stations and safety showers are close to the workstation location. Ensure adequate ventilation, especially in confined areas.   |
| reisonal Protective Equipment                         |   |
| Eye/face Protection                                   | Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard EN166.   |
| Skin and body protection                              | Wear appropriate protective gloves and clothing to prevent skin exposure.   |
| Respiratory Protection                                | Follow the OSHA respirator regulations found in 29 CFR 1910.134 or European Standard EN 149. Use a NIOSH/MSHA or European Standard EN 149 approved respirator if exposure limits are exceeded or if irritation or other symptoms are experienced.   |
| Hygiene Measures                                      | Handle in accordance with good industrial hygiene and safety practice.  |

9. Physical and chemical properties

| Ecotoxicity  |  |  | 0            |            |                  |            |

Ecotoxicity

Do not empty into drains.

| Persistence and Degradability  | Miscible with water Persistence is unlikely based on information available. |
|--|---|
| Bioaccumulation/ Accumulation No information available.                        |   |
| Mobility Will likely be mobile in the environment due to its water solubility. |   |
|  | 13. Disposal considerations   |

 Waste Disposal Methods
 Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. Chemical waste generators must also consult local, regional, and national hazardous waste regulations to ensure complete and accurate classification.
